

# Attention Manufacturers:

## *Do you want to hire students who are eager to work and ready to gain valuable experience?*

We're partnering with area schools to identify high school students who have studied and developed manufacturing-related skills. Now you have the opportunity to place them in your company through an internship program offered by the Ohio Manufacturing Extension Partnership (MEP).

**The Ohio MEP High School Internship Program** assists manufacturers with their workforce needs and provides financial assistance for hiring local high school and career technical students as interns. The program is available to manufacturers hosting high school interns between April 1, 2019 and September 30, 2020.

### ***What advantage does having student interns offer?***

*Contribute to developing your future manufacturing workforce.*

*Connect with your schools to ensure that students are work-ready.*

*Get cash-back for 50% of student wages up to \$1,500 per student.*

***Last year, 80% of the interns placed across Ohio were employed at the end of their internship!***

See how two companies benefited from the Ohio MEP High School Internship Program in these two success stories:

### ***How does the program work?***

1. If you are in the process of hiring or considering hiring a High School intern for manufacturing operations, contact FASTLANE.
2. Agree to provide a work-based learning experience as directed by the school and state requirements.
3. Submit forms & agree to participate in a simple Economic Impact survey.
4. Receive a reimbursement of 50% of student wages (up to \$1,500 per student).

***Let the Ohio MEP High School Internship Program work for you!***

**Contact FASTLANE - turn the *future* workforce into *today's* workforce!**
